WE WISH THESE WOULD HAPPEN TO US

A NIGHT TO REMEMBER

It was the usual dinnertime lull and the bar was nearly empty when she walked in. I gasped at the sight of such beauty. She was neatly dressed in a gorgeous suit. Its simple lines did little to conceal her amazing figure. Her figure, the sort of which wet dreams were made, curved delightfully at the hips and tapered to a tiny waist then exposed an ample pair of tits.

Her golden hair framed a face that, like Helen of Troy's, could have launched a thousand ships. She sat quietly in a booth sipping a tall drink.

Well, what the hell, I thought. Nothing ventured nothing gained. Calling the waiter over, I asked him to tell that woman that I'd be honored if she would permit me to buy her a drink.

He came back smiling and said, "The lady says she would be delighted but you must bring it your-

self. And her choice is scotch and soda."

Drinks in hand I approached her table. Her charming smile put me at ease. Close up her beauty was even more magnificent. I suppose she was wearing makeup but it was so cleverly applied that no one could be sure.

We introduced ourselves and soon fell into a pleasant conversation. It turned out that she was a secretary to some "hot shot" executive and lived alone in her apartment nearby. By this time the crowd was beginning to gather and it was getting noisy. "Let's get out of here," I suggested.

"Yes, let's," she replied. "Maybe I could fix you a drink at my place."

In the cab I put my arm around her and she snuggled closer. Encouraged I bent down and our lips met in a kiss. What a kiss! Her tongue flicked over my lips and thrust into my mouth and then seemed to suck mine into hers. Her hand stole to

the bulge in my pants and rubbed it gently. I nearly came in my pants but the cab stopped at her building.

I paid the driver and followed her into the building. I wondered if this was for real—and how far it could possibly go. How lucky can a guy get?

Once inside her apartment, she pressed against me. Our lips met in a passionate kiss. She squirmed against me as we kissed, rolling my excited cock delightfully against my belly. Oh God, what a sensation!

She pulled away panting and said, "Why don't you mix us a couple of drinks while I slip into something more comfortable?"

After a few minutes she called, "George, come here please." Following the sound of her voice, I stepped into her bedroom and there she stood, stark naked. I gasped in disbelief.

Her dazzling blonde hair brushed her shoulders. Two beautiful tits stood out firm and round, graced

by erect ruby nipples set in discs of paler red. Her torso tapered to a slender waist, and then swelled to beautifully curved hips and thighs. Her slightly rounded belly curved down to her smoothly shaved pussy. Her shapely legs finished the vision of loveliness.

As our lips met again, her hand found my zipper. In a flash my rock-hard cock was in her hand. “Ooooh,” she cooed. “It’s so big, so hard, so wonderful,” as her fingers played lightly with my excited dick, driving me to desperation. Suddenly she tore at my tie.

“Take it off,” she commanded. “Take everything off.”

With that she flung herself onto the bed—legs spread, hips undulating. The glistening pink lips of her cunt caressed the finger she was working between them. “Hurry, George,” she gasped, “Oh, help me! Oh God, I’m so horny!”

Finally I knelt between her legs. Her hips flew up to meet me and her juicy cunt seemed to pull me into it. Soon my brown hair was entangled with her blonde curls. Then the action started.

Her legs wrapped around mine and her hands pulled my ass down as her hips worked up and down, sliding my cock in and out of her scalding hot pussy.

All I could do was hang on as her tight cunt worked on my throbbing tool. Every hair on my body stood on end as I moaned and gasped in ecstasy. Higher and higher my passion rose until I could hold it no longer. I uttered a tortured gasp of relief as my cock exploded into her. Volley after volley of my cum flooded into

her sucking pussy hole.

Sensing my ejaculation, she redoubled her efforts. I groaned in ecstatic torture as her tight cunt relentlessly worked on my oversensitive organ.

Gradually the tension eased

then suddenly she froze, trembling, caught on the ragged edge of orgasm but unable to pull it off. Quickly I took over. With long, savage strokes I carried her over the edge. She screamed and thrashed about, now pushing me away, now pulling me to her as relentlessly my cock drove in and out.

Finally she lay still, panting in exhaustion. My efforts however had aroused my passion. I had to get it off again. Rapidly I pumped with long, full strokes. At each thrust my

To Club Latina:

I’ve never, ever written to an adult magazine before, nor do I watch too many adult videos on dvd or the internet, but I think your cover girl, Lela Star may just change that. What a great body this hot little Latina has. Her boobs are two big handfuls, her ass is divine, and I assume she fucks like the woman I fantasize about. No inhibitions, every hole available for my cock, and sucks and fucks me with a smile on her face. She seems like the prefect fuck doll, and I do say that literally.

But Lela wasn’t the only major turn-on. Every lady in the issue

is a Latina worth pining about. I recognized a few of them, and now I can also dream about them, too. They are so hot and fresh looking that I have jerked off to them several times. I especially liked Megan (Salinas) and Lilly (Banks) layout. Those two are super hot together and really seemed like they liked muff munching each other! I can’t wait for the next issue.

Buen trabajo...

balls slapped her ass with a resounding whap, whap, whap. Higher and higher my passion rose until I came with a shuddering gasp. Again she rose to the occasion, furiously working her hips until I thought I could

bear the exotic agony no longer.

For a few minutes we rested locked in each other's arms. Gently we fondled each other until I could feel her cunt squeezing my still-hard cock. This time she rolled me onto my back and with her legs squeezed tightly together she fucked me as I'd never been fucked before.

She would work me up to the last point before orgasm, and then lie quiet, nibbling my ears until I cooled a little. Again and again she did this until in savage frustration I rolled us over and went at it in a frenzy of passion. Her fingers clawed my back. Her teeth bit my ear.

Finally we reached orgasm together-

er-an orgasm to end all orgasms. We rolled apart and lay panting and sated. What a night! How lucky can a guy get?

I JUST MET A GIRL NAMED MARIA

I work in security at a big mall outside of Tuscon and have seen a lot of strange things since I started at the mall. I've seen people having sex in cars in dark parking lots, seen others going at it in dressing rooms, but the letter I'm writing today is totally different.

Recently a new restaurant opened up and the staff in this place don't have to wear uniforms other than company buttons with names. Most of them just wear t-shirts and jeans. One of the girls, Maria, normally wears shorts and very tight shirts.

Last week I noticed she was wearing some gym style shorts and a very low cut t-shirt. I went over to the register where she was working and asked, "Do you have a first aid kit? I need a band aid." She bent over and started looking thru the cabinets. The whole time she was looking, I was too! I could see right down to her nipples! "I don't see one here?" she said.

She noticed that I was staring down her shirt and smiled at me. "Sorry what did you say?" I asked. She stood up and moved closer, "You want a better look? Come back after closing." My mouth just about hit the floor. Here I am 43 years old and this 20-something girl is giving me a line like that? I replied, "Ok, I'll be back later."

I went back out to do a few more patrols while I waited for the restaurant to close and everyone to leave. About a half hour later I walked in the back door and there she was waiting for me. "I've been waiting for you to make a move on me for weeks, why haven't you?"

I reached down and grabbed her ass lifting her off the floor. I set her down on the desk and broke the kiss so I could take off her shirt. She reached behind and undid the bra and her gorgeous tits were free. I attacked her nipples with my mouth as she tried to get to my belt buckle.

When she was done, she stepped up and helped me finish undressing. She knelt down in front of me and grabbed my dick, looking up at me and licked me from my *huevos* all the way to the head.

She started to gently suck on the head running her tongue around the edges. She went down all the way to the base and buried her nose in my pubic hair and back up several times and I just couldn't hold back.

"Shit, I'm coming already." She pulled back as I started to come and I watched as it shot into her mouth. I fell back on the floor and she crawled up on top of me. We fucked right there on the floor and it was great!

I STOOD THERE WITH BAITED BREATH...

Dating in the digital age, I thought, jealous of my parents who hadn't had to deal with such headaches.

I stood there with baited breath, hoping like hell that she came around. Jessica didn't say a word; no doubt she was uncertain about the whole thing, torn between her need for sex and the possible perils of meeting a total stranger. Finally Jessica said, "Okay. I'll be there in about thirty minutes . . ."

"Sounds great."

I clicked off, grabbed my cigarettes, and went out on the balcony. It was just shy of eight. I had been drinking since four that afternoon, a steady stream of gin and tonics before switching to beer. I was drunk, yet well aware of what I was doing. I tried not to let my imagination run wild, vowing to stop watching so many goddamned true crime documentaries.

I was a student, yet entertained no notions of a lucrative future. My M.F.A. in Creative Writing wouldn't amount to shit in the job market. Fulltime college teaching positions were almost impossible to land. The field was saturated; far too few jobs to absorb the staggering number of graduates. And that left little else.

I finished my cigarette, flicked the butt

over the railing, and went inside. I sat on the sofa with my phone and studied Jessica's profile on the dating site. She looked good, a thin redhead with a tight ass. I hoped this wasn't a bait and switch. God forbid I opened the door to find some whale on my landing; that or a living skeleton with a hideous case of meth mouth.

At the very least I could write about tonight's encounter: a poem, short story, maybe even a novella. Still, I wasn't doing this for literary reasons. I was horny, plain and simple. I hadn't gotten laid in almost a year. As a reclusive antisocial writer, I didn't want to go to a bar, didn't want to go through the wearisome motions of trying to prove my worthiness to some random chick. I hated that scene, detested the game. An online hookup site seemed so much easier, tailor made for a hermetic dude like myself.

I got up and took a piss, peering at my reflection in the mirror. I hadn't shaved in days. I thought about scraping my beard with a razor, but decided against this. Jessica wouldn't give a shit. In all likelihood this would be our first and only date.

I was pleasantly surprised. Jessica looked even better in person, perhaps a little tired, but who wasn't these days? I stepped aside, allowing her to cross the threshold of my humble hovel. She had beautiful green eyes.

"This place was hard to find," she said.

"Yeah," I replied, "it's a big complex."

I offered her a drink, but she declined. We sat on my secondhand sofa, engaging in idle chitchat for a few minutes before being engulfed by a rather uncomfortable silence. Being a writer had all but destroyed my social skills. I spent so much time alone, so much time reading and banging away at my laptop that I had no game when it came to the opposite sex. Not that I had possessed much of a game in my pre-writing life, but now it was even worse.

Thankfully Jessica came to my rescue in the most unsubtle of ways. "So," she said, "are we gonna' fuck or what?"

BLAIR-NTS-03

Jessica pulled the chair away from my writing desk, setting it in the middle of what passed for my central living area. "Sit," she said.

The chair was ancient. I had bought the thing at a yard sale several years prior. It creaked when I sat down, sounding like the coffin lid in an old vampire movie. But sucking my blood wasn't on Jessica's itinerary. She was craving something else. I sat there, marveling at my good luck as she knelt before me and worked my trousers down, followed by my boxers, freeing my erect cock.

"Nice," she said. "Just what I wanted."

She licked my shaft, balls to mushroom cap, gliding her skilled tongue ever so slowly, again and again, shellacking me with admirable skill. Then she sucked my balls, servicing each one with the utmost care. Fingers clenched around my shaft, she moved her hand up and down. My slick member swelled in the fold of her soft palm, getting longer and thicker with each tug.

Finally she took me into her mouth. Lips encircling my dick, she thrust her head repeatedly, taking every inch on the downward plunge. The tip of my prick pressed the back of Jessica's throat, triggering her gag reflex. Saliva oozed from her mouth, dribbling down her chin as she peered into my eyes, her mouth stuffed with cock.

This was sublime, just what the doctor ordered. My prostate was long overdue for a thorough purging. Jessica was going to make it happen in a big way.

I wanted her to ride me. Jessica must've read my mind. She stood, unzipped her mini skirt, and tossed it on the floor. She was wearing black lace panties and matching thigh high stockings. The black contrasted sexily with her creamy white skin.

She straddled my lap, sliding her panties to the side, while I worked my cock into her snug snatch. Jessica was hot and wet. She moaned as I filled her, moaned and shook her head from side to side. Her fiery red hair spun wildly as she moved her slender hips, grinding my rod, bucking like a slutty cowgirl.

I reached around, grabbing her taut ass, one firm cheek for each hand, and squeezed, digging my fingers into her flesh. I pushed up into her hot cen-

ter, thrusting my pelvis, meeting hers as it crashed down repeatedly.

It wasn't long before she disengaged, turned around, and mounted me. Her ass pounded my lap as she bounced up and down, pogo style, on my cock. She moved faster and faster, achieving a frenetic pace and force, doing her damndest to break my writing chair. The thing creaked louder and louder as our reverse cowgirl coupling escalated.

I gripped her ass cheeks, spreading them to provide an unobstructed view of her cunt lips gliding up and down my pole. Meanwhile, Jessica rubbed her clit with deft fingers, adding another delicious dimension to her pleasure.

Sadly, all good things must come to an end. But this would be a bittersweet conclusion. I focused on the "sweet" as she got up from my lap and knelt before me. She opened her mouth and stuck out her tongue. Remaining in a sitting position, I jerked off into her face, blasting her with a considerable load of spunk.

I was just about to go out on the balcony and smoke one last cigarette before bed when somebody started knocking on my door. This was unlike the previous knock. This was loud, hard, urgent. Shit, I thought. Peering through the peephole, I saw Jessica standing on the landing. She had just left not more than five

minutes ago. Even through the grimy aperture I could see that she was upset.

I opened the door. "Is everything okay?"

"My dog," she said. "Somebody stole my fucking dog . . ."

She stepped inside, standing there in my tiny kitchenette as I tried to process what she was telling me.

"Your dog was in the car?"

"Yes. And he's gone! Some asshole took Hector!"

It didn't surprise me. This wasn't the best neighborhood. Not by a long shot.

"Did they smash your window?"

"No," she said. "My car was unlocked."

Dumb move, I thought. She should have known better. Of course I kept this to myself. She was plenty distraught, on the verge of tears. A critical comment from a casual hook-up was the last thing she wanted to hear. I stood there, feeling totally useless.

"What kind of dog?" I asked.

"Chihuahua. He's a tiny little thing. Hector wouldn't hurt a fly."

I didn't know what to tell her. Some sketchy opportunist, probably a tenant, had walked by and snatched her pooch. Hector was history. And there was nothing I could do to change that.

"We have to find him," she said.

I hemmed and hawed, struggling to find

words that would distance me from the situation. I felt bad for her, but not bad enough to comb the neighborhood at night looking for her dog. Hell, I didn't even know this chick.

And it was highly unlikely that we would find the culprit walking along with Hector in tow. The thief would be long gone. I could see the offender now, hands clutching the wheel of their getaway car, miles away from here, poor Hector riding shotgun and wondering what the hell happened to his mother. Either that or the crook would already be safely sequestered inside their apartment with a new dog.

"Please help me," Jessica pleaded. "I don't know the area—"

"I'm sorry," I said.

"You're not going to help?"

"It's a lost cause. I hate to say it—"

"You don't know that." She sounded more and more frantic, moving dangerously close to hysterical.

"Call the cops," I told her.

And that was it. The tipping point. Jessica went ballistic.

"I can't believe this! What kind of person are you!?"

"Goodnight, Jessica."

She extended her middle finger and thrust it in my face. "Go fuck yourself, asshole!" Then she stormed out and pounded down the steps.

I closed the door, locked it, and secured the chain. Then I opened the fridge and grabbed a beer. I thought I was done drinking for the night, but Jessica had frazzled my nerves. I was wired. It was going to take me a while to calm down.

Hell, I thought, might as well try to write.

I grabbed my writing chair and carried it back to the table. I sat down before my laptop and opened a blank word document. I drank and smoke and belted out this story, starting with the title, a rarity for me as I typically saved the title for last.

But in this case it was a no-brainer.

Valentina had a plan: "I had just bought some new lingerie that I thought brought out my eyes. I was going to put it on and wait outside for my man to come home. Surprise sex! And then we'd go on with our day. He didn't tell me his friend was coming, too. We made the most of it. I got all my holes filled with cock, and they got to admire my new lingerie."
